leaf hideaway

A universe of foliage and fun!

Welcome to the **leaf hideaway**, a world where exploration, communication, mutual support and wonder come together! A place where children will have as much fun going under the giant leaves as over them, in this universe of amusing proportions.

The **leaf hideaway** collection is designed to serve as a shelter, seat or balancing structure.

Imagine children hiding, climbing, sitting and hopping from one leaf to another. They will really feel like little ants or even forest fairies. They will think they have invented a shrinking machine. Imagination is limitless.

Here are some possible layouts for the various elements.
